

NS&M Independent Research Registration Form

Student Name: _____

UTD-ID

Signature: _____ Date: _____

Major: _____

Faculty Supervisor: _____

Semester: Fall _____ Spring _____ Summer _____

Signature: _____ Date: _____

Credit Hours: _____ Section: _____

For Office Use Only: Registered by and date: _____

Transcript Note Added: _____

(Note: All NS&M Research Courses are graded. NS&M does not offer Credit/No Credit Research Courses)

BIOLOGY COURSES

- BIOL 4390-Senior Readings in Molecular & Cell Biology
- BIOL 4391-Senior Research in Molecular & Cell Biology
- BIOL 4399-Senior Honors for Thesis Molecular & Cell Biology
- BIOL 3V90 (1-3 credit hours)-Undergraduate Readings in Biology
- BIOL 3V91 (1-3 credit hours)-Undergraduate Research in Biology
- BIOL 3V93 (1-3 credit hours)-Undergraduate Research in Biochemistry
- BIOL 3V96 (1-3 credit hours)-Undergraduate Research in Molecular & Cell Biology

CHEMISTRY COURSES

- CHEM 4390-Research & Advanced Writing in Chemistry (can be used for major honors)
- CHEM 4V91 (2-6 credit hours)-Research in Chemistry
- CHEM 3V92 (2-6 credit hours)-Undergraduate Research in Biochemistry

OTHER APPROVED RESEARCH COURSE:

- Subject Prefix: _____ Course #: _____

EXPECTATIONS (please check all that apply and provide details):

- Research topic (must be provided; limited to 30 characters): _____

- Meetings with faculty supervisor: Day and time: _____ Weekly Monthly

- Laboratory hours: Per week: _____ Per month: _____ Will provide results by: _____

- Other Information: _____
